Emmbi Industries plans 22 cr capex for FY17

Emmbi Industries, a well-established brand in specialty polymer processing, Packaging and a niche player with advance applications in the areas of water conservation, logistics, Crop- Protection, Geo-textiles and various other polymer based material has planned a Total Capital Expenditure of Rs. 22 cr for the financial year 2016-17. The Company's Net Sales for the 9 months of FY 2016-17 has increased to Rs. 165.85 cr from Rs. 151.65 cr from 9 months of FY 2015-16. This is an increase of 9.37% over previous year, while the PAT and EPS grew by 25.42% on YOY basis to 8.64 cr and Rs. 4.88 per share respectively. The Management expects an annual growth between 10% to 11% in the top line and around 25% to 27% growth in EPS on an annualized basis.

Emmbi Industries records profit of 25 per cent

Emmbi Industries Limited is a well-established brand in specialty polymer processing, Packaging and a niche player with

advance applications in the areas of water conservation, logistics, Crop- Protection, Geo-textiles and various other polymer based material. Emmbi enjoys a prudent track record of more than two decades business. PAT and EPS grew by 25.42 per cent on year-on-year basis to 8.64 crore and Rs 4.88 per share respectively. The company's net sale for the nine months of FY 2016-17 has increased to Rs 165.85 crores from Rs 151.65 crores from nine months of FY 2015-16. This is an increase of 9.37 per cent over previous year. Considering the Fund Flow situation in the market in Q-3, where company's growth was slower than expected, Management expectation and annual growth is between 10 per cent to 11 per cent in the top line and around 25 per cent to 27 per cent growth in EPS on the annualised basis.
