

## **Emmbi's CMD now Vice - President of IFIBCA**

Mr. Makarand Appalwar, Chairman & Managing Director of Emmbi Industries Limited elected as Vice – President of IFIBCA (Indian Flexible Intermediate Bulk Container Association) in October 2015.

The Indian Flexible Intermediate Bulk Container Association was formed in the year 2002 by the producers of FIBC's in India and is the exclusive body registered as a Company. IFIBCA primarily formed to promote the use of FIBC (Flexible Intermediate Bulk Container). It also acts as a catalyst for expansion in export growth, establishment of quality standards, assistance in quality up-gradation and importantly provide international recognition. It represents almost **90 %** of the Indian manufacturing capacity and is a vibrant and active organization. India today produces FIBCs to World Standards and is a globally accepted sourcing point for high quality bulk bags.
